## COMMISSIONER'S REPORT.

---

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Strafford County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of the County Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailer, Solicitor, County Physicians, Chaplain and Auditors for the year ending December 31, 1916.

### COUNTY FARM AND HOUSE OF CORRECTION.

The County Farm and House of Correction, under the able management of the Superintendent and Matron, Mr. and Mrs. W. J. Hartford, has been conducted along the lines of efficiency and economy. The inmates have received good care and attention everything being done for them that was necessary to make them comfortable and contented. The crops at the farm this year have been taken care of in good shape and more has been raised than in the previous year.

A new pump has been installed so that more water could be available for use in case of fire. A new oven has been placed in the inmates' kitchen which we feel meets a long-felt want, requiring less fuel to run it and much less labor. The attic on the men's side has been sheathed and painted, making one of the pleasantest rooms in the house and providing more room in case of emergency. All repairs have been attended to and made of a permanent nature so far as possible. We believe that the citizens of Strafford county should visit this institution oftener than they do so that they may have an idea as to how their money is being spent and for what purposes. The visiting day is Thursdays.

The relations existing between the Commissioners and all employed at the farm have been of a most cordial and friendly nature, each doing his part that the business of the farm might be conducted successfully. For account of inmates cared for and other matter pertaining to the farm we would refer you to the report of the Superintendent.

#### SUPPORT OF OUTSIDE POOR AND CHILDREN.

The aid given the poor in the several cities and towns throughout the county has cost \$11,843.98. This department is one in which we have endeavored to use judgment, that no worthy poor person should suffer for want of proper care and attention. The support of the children throughout the county has cost for the year \$6,429.30. This department is an important one, requiring much thought and labor upon the part of the Commissioners. It has been our aim to investigate each case carefully and to place the children consigned to our care in institutions and homes where they may receive that care and training which may be the means in the future of making good citizens out of them.

DOVER, N. H., January 1, 1917.

TO THE HONORABLE BOARD OF COMMISSIONERS OF  
STRAFFORD COUNTY:

I hereby present to you my second annual report as Superintendent of the Strafford Connty Farm and House of Correction for the year ending December 31, 1916.

Dr. D. L. Stokes, our Connty Physician, always gives his best efforts and careful, considerate attention to all in need of medical and surgical treatment.

The Rev. C. E. Furman and the corps who have worked with him, together with the Catholic Priests of Dover, have faithfully attended to the spiritual needs of those under our care. We extend our sincere thanks to those who have contributed reading matter, flowers and delicacies, which are much appreciated by our inmates.

I wish to thank the employees of this institution for their faithful services, and also the Commissioners for their hearty co-operation with us at all times.

Respectfully submitted,

WILLIAM J. HARTFORD, Supt.

## REPORT OF PHYSICIAN.

---

TO THE COMMISSIONERS OF STRAFFORD COUNTY:

*Gentlemen:*—The following report is respectfully submitted.

Among the inmates of the county jail there has been the usual amount of acute and chronic diseases, but none of a contagious nature. The infectious diseases have been limited to the ones infected on entrance with no spread to the other inmates.

Sheriff Edward S. Young has maintained the highest degree of sanitation, and the condition of the prisoners show the results of proper food and exercise.

E. L. CHAPMAN, M. D.

## REPORT OF CHAPLAIN.

---

Affairs in general at the Strafford County Farm are in a very satisfactory condition. Everything harmonious and a spirit of contentment prevailing

No effort on the part of the management has been spared that would contribute to the comfort and well being of the inmates.

Spiritual interests have been ably supplemented by the faithful and self-sacrificing efforts of visiting friends, whose generous gifts and kindly ministrations have had their wholesome influence.

Services have been maintained with but few exceptions throughout the year with faithful attendance of many of the inmates and frequent responses to appeals that make for their spiritual good.

Wholesome literature from various sources has been distributed with care and discrimination and not infrequently have we enjoyed a diversion as a break into the monotony; sometimes a musical service or a special address by some neighboring clergyman or a visit from a company of sunshine dispensers, all of which has been greatly appreciated.

Feeling the need of a rest and change the chaplain tendered his resignation to take effect January 31, 1916. This move was much to his regret, having found great enjoyment in the performance of his duties, as also in the associations formed and enduring friendships made. It will be quite natural that he will follow with prayerful interest the work he has reluctantly laid down.

Respectfully submitted,

CHARLES ELMER FURMAN,

Chaplain.
